

QMapNodeBase

QMapNodeBase

QMapNode< K, T >

```
classDiagram
    class QMapNodeBase
    class QMapNode["QMapNode< K, T >"]
    QMapNodeBase <|-- QMapNode
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'QMapNode< K, T >'. A vertical line extends upwards from this box, and from its midpoint, two arrows branch out horizontally to point at the bottom centers of two boxes above it, both labeled 'QMapNodeBase'. This indicates that 'QMapNodeBase' is the base class for 'QMapNode< K, T >'.
